

Year 2 Class Teacher (1.0FTE)

SALARY: Teacher Pay Scales

Ermington Primary School is set in a beautiful rural location, nestled between the moor and the sea. This delightful village school is situated at the heart of the community. We have recently joined the Westcountry Schools Trust and are enjoying the many benefits associated with being part of a child focused and dynamic academy.

The WeST family consists of 27 schools (in both primary and secondary phases) and The Learning Institute (TLI). WeST holds a firm belief in giving each child every opportunity to learn and succeed in all that they do. Whilst they are a family of schools who share common values and beliefs, all the schools are unique and hold their own identity.

The Trust believe that by working collectively, sharing what works well and jointly developing best practice, they are stronger together and can provide the very best education for the children in their geographical area.

They have a pride in their schools, staff and children, and thrive on the constant challenge to do better. All their children are their collective responsibility.
