

7 December 2021

Dear parent/carer

As the Autumn Term draws to a close we are taking this opportunity to inform you of a forthcoming change in leadership at Plymstock School. After substantial and significant service to Plymstock School, over a 20 year period, Mr Rob Diment, Headteacher, is leaving the school, and our Trust, to initially focus on his family commitments, then to take up post in a new role.

I know that Mr Diment will be missed, especially having been part of the school for such a lengthy period, but know that you will join me in wishing him very success for the future. As one chapter closes, another opens. We are delighted to inform you that the current Deputy Headteacher, Mr Alan Yendell, will take on the role of Acting Headteacher with effect from 1st January 2022.

Plymstock School is extremely well placed to go from strength to strength, delivering the blend of education in which we believe. With the support of the Local Governing Body, the Senior Leadership Team and WeST, Mr Alan Yendell will lead Plymstock School with confidence through this period of transition. I know that you will offer him and the school every support.

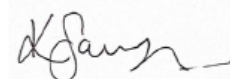

Best wishes
