Westcountry Schools Trust educates pupils from nursery to Sixth form across 27 bases and higher education students through The Learning Institute (for Trust sites see Annex A).

The purpose of this policy is to regulate the management and operation of video surveillance systems (CCTV) and automatic number recognition systems (ANPR) across Trust sites. It also serves as a notice and guide to data subjects (including pupils, parents, staff, governors, volunteers and visitors to school sites (including members of the public) regarding their rights in relation to personal data recorded on any Trust site. This policy has been designed to have regard to the requirements of the Surveillance Camera Code of Practice as set out by the Home Office in 2013 and associated guidance provided by the Commissioner. The code was most recently updated in January 2022, details can be found at: [Surveillance Camera Code of Practice \(publishing.service.gov.uk\)](https://publishing.service.gov.uk)

Each CCTV System is administered and locally managed by individual school sites. The Trust acts as the Data Controller for all WeST sites for the purpose of data protection legislation.

This Policy will be subject to review from time to time, and should be read with reference to the Trust and individual school's Privacy Notice(s). For specific information relating to data protection rights and responsibilities please review the Information Commissioner's video surveillance guidance at: [Video surveillance | ICO](#)
