

Scheme of Delegation 2023 – 2024

Committee:	WeST Trust Board
Approved:	22.04.24
Review cycle	1 year
Next review date:	April 2024

Introduction

Westcountry Schools Trust (WeST or the Trust) is the statutory body for all the academies within the limited company registered with Companies House (company number 07398467). Schools joining the WeST may be sponsored or unsponsored, but all will promote, adhere to and be guided by the underlying objectives and principles of the Trust as agreed by its Trust Board. The governance structure at Westcountry Schools Trust is determined by the Scheme of Delegation and delivered through a framework comprising: Members; Board of Trustees; Committees of the Board, including those responsible for Local Governance; and executive leaders. Trustees are accountable in law for all major decisions about its schools. However, this does not mean that the Board is required to carry out all the Trust's governance functions. Many of these processes are delegated in order to make this manageable and scalable, and because this is the right thing to do. Functions may be delegated to the Chief Executive Officer (CEO), Chief Financial Officer (CFO), Headteachers (HT) and to committees of the board and those responsible for local governance through Hub Advisory Boards (HABs). This scheme of delegation should be read in conjunction with the Trust's Articles of Association and where there is an unintended conflict the Articles shall take preference. The purpose of this scheme is to clarify decision making and lines of accountability. This scheme will be reviewed annually to reflect any changes as the Trust continues to develop.

Members

The Trust must have no fewer than three members, with the preferred number being 5, (in line with current DfE recommendation) of whom no more than one can be a trustee, and none can be an employee of the Trust. They will be ultimately responsible for the Trust achieving its charitable objectives. They will agree the Articles of Association and have the power to appoint and remove trustees.

Trust Board

Article 46 sets out that our Trust board will comprise up to nine trustees appointed by ordinary resolution of the members. Trustees may also appoint co-opted trustees in accordance with the terms of Article 58.

The Chief Executive Officer (CEO), together with other members of the Executive Leadership Team (ELT) as required will attend Trust Board meetings in an ex-officio capacity with no voting rights.

The Trust Board will deliver the three core functions common to academy governance, namely;

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the CEO, ELT and School Principals/Head teachers (Heads) to account for the educational performance of the schools; and
- Overseeing the financial performance of the Trust and the academies within, making sure its money is well spent.

The Trust Board will ensure the relevant processes and systems are in place for pupil safeguarding and welfare as well as the welfare of staff.

The Trust Board will fulfil some of its role through committees each of which will include up to three trustees including a Chair who will be a trustee. Each school within the Trust should have representation within a Hub Advisory Board, referred to in the Articles as a Local Governing Body. The Trust will nominate lead trustees for key areas of business such as safeguarding and SEND. The Trust is also responsible for the higher and further education work and awards of the WeST Learning Institute, and of the work in sport, PE, and outdoor learning area of Arena

HAB members are encouraged to attend as non-voting members the sub-committees of the Trust Board through which it transacts much of its business. The main roles and responsibilities of these committees are as follows:

Finance and Capital Committee

The key delegated responsibilities of the finance and capital committee are to oversee the financial performance of the schools within WeST, making sure the Trust's money is well spent and that there is proper and regular use of its public funds, and recommending an annual Trust budget to the Trust Board for approval. It also has delegated responsibility for all capital expenditure, including School Condition Allocation (SCA), in accordance with the approved Financial Scheme of Delegation.

Audit and Risk Committee

The key delegated responsibilities of the Audit and Risk committee are to ensure that the Trust has in place sound internal controls (financial and otherwise), risk management and assurance processes that adequately identify and manage risk across all schools in the Trust; and to monitor that these processes are operating effectively including receiving reports from the internal and external auditors. It also has delegated responsibilities to ensure that the Trust's capital estate is fit for purpose; and ensure that appropriate legal legislation for Health and Safety is being adopted and followed; and to receive relevant reports from Trust staff.

The committee also has key delegated responsibilities to advise the Trust Board on all matters pertaining to the employment of staff, ensuring the trust remains statutorily compliant, attracts and retains a suitably qualified and experienced workforce, and is making progress towards a positive culture, with a focus on wellbeing, engagement and a more consistent and positive experience for all staff.

Remuneration Committee

The key delegated responsibilities of the Remuneration committee are to advise the Trust Board on performance and remuneration issues including setting appraisal targets for, and remuneration of, the CEO and other members of the ELT (in conjunction with the CEO). This includes determining the pay policy for the Trust, and receiving and assessing the recommendations for pay progression from each school ensuring consistency and equality across all schools.

Education Standards Oversight and Scrutiny Panel

The key delegated responsibilities of the Education Standards panel are to advise the Trust Board on the performance of WeST schools. This would include key indicators such as:

- Safeguarding;
- Pupils' attainment and progress;
- Attendance and exclusions;
- Staff Survey outcomes and actions;

The committee will also advise the Trust Board on the performance of the WeST Learning Institute including its higher and further education operation.

Local Governance Tier - Hub advisory boards

The role of the HABs is both advisory and one of responsibility, involving monitoring the implementation of Trust strategic priorities within each individual school, including considering robust safeguarding arrangements, and community and stakeholder engagement. HABs will have some specific decision-making powers around local level school policies which impact the lived experience of the child. HAB members may be expected to sit on panels which have statutory and/or delegated powers, including those relating to complaints, suspensions, and exclusions. HABs will be bound by the terms of reference (ToR) in the usual way.

Responsibilities of the HABs include:

- Approving local school policies, as outlined in the ToR, which impact especially on the lived experience of the child;
- Considering the performance of schools within the hub in relation to safeguarding of pupils;

- Considering the social and academic performance of schools and their pupils, with special reference to pupils with special educational needs and/or disabilities;
- Supporting the Trust Board as appropriate by engaging with school evaluations, including by Ofsted.

Chief Executive Officer

The Trust Board will appoint the CEO of the Trust. The CEO:

- has delegated responsibility for the operation and performance of the schools including appraising the ELT;
- is the Accounting Officer so has overall responsibility for the operation of the Trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability, avoiding waste and securing value for money via the report of the Chief Financial Officer (CFO); and
- leads the Trust's ELT. The CEO delegates executive functions to the ELT and is accountable to the Trust Board for the performance of the ELT. The ELT will comprise the CEO, CFO, Deputy CEO (DCEO), Director of Education, Director of Safeguarding, Director of People and Director of Estates.

The CEO will be held to account by the Trust Board and an independent School Improvement Advisor appointed by, and reporting to, the Trust Board via the Remuneration Committee. The Trust Board, together with the CEO who fulfils the statutory function of Accounting Officer, has ultimate accountability and responsibility for all aspects of the schools in the Trust.

The Board delegates aspects of its responsibility in accordance with the following principles:

- the overriding aim of working together to build great schools is best achieved by each school developing its own individual identity and ethos within the overall framework, policies and ethos of the Trust;
- responsibility is delegated in accordance with the ability of the school and its staff to meet the Trust's expectations. The Scheme of Delegation can be adjusted by the Trust Board for an individual school if required. Wherever an authority is held by the Board, it is assumed the relevant Executive Officer undertakes the necessary preparatory work; and
- those to whom responsibility is delegated exercise that authority in line with good leadership practice, governance handbook guidelines, consulting with staff and volunteers as appropriate.

Headteachers

Headteachers are responsible for the day-to-day operation of the school, safeguarding, standards, curriculum, teaching and learning, the pupils, the staff, and for working with parents and the community.

This Scheme of Delegation should be used in conjunction with policies, committee terms of reference and role descriptions.
