

The Community Lived Experience

The Board of Trustees has clearly identified the areas of responsibility that it delegates to the WeST CCs. A WeST CC has an important role to play in assisting the Trust to operate effectively, by monitoring the implementation of the Trust's strategic priorities. The remit of WeST CCs is to monitor and inform Trustees of the Community Lived Experience of all WeST stakeholders:-

- **Safeguarding and inclusion:** Monitoring the Attendance, Mobility, SEND and Disadvantaged data for each school to provide a strong oversight for trustees and challenge and support for individual schools.
- **Behaviour and Ethos:** Providing support and challenge to the school on aspects of Behaviour, Suspensions, Exclusions and Bullying. Monitoring pupil wellbeing in the schools and the provision of uniform in line with DfE statutory requirements.
- **Curriculum Subset:** Monitor and support the experiences and opportunities that are provided to all children via extra-curricular programs including to exposure to careers and approving the Careers (secondary) and RSE policies. Monitor, where possible, statistics for the next stage of education, including NEETS.
- **Staff:** Monitor staff wellbeing and mobility and support staff initiatives.

Community Lived Experience
